Personal statement

Motivated and enthusiastic production professional, seeking entry-level opportunities in Production Assistant/Secretary roles. Experienced as a Trainee Production Coordinator at MAMA Youth Project, creating and managing student short films and documentaries, including directing and editing. Skilled runner with experience at busy post-production companies and supporting high-profile events and talent, including the National TV Awards and work with Premier PR. Highly organised, adaptable, and proactive, with a collaborative approach and a passion for supporting creative teams and productions from start to finish.

Key Skills

- Technical skills: Microsoft Office , Silvermouse Black Magic Ursa, Adobe Premier Pro
- Experience creating key production paperwork
- Flexible and able to adapt to whatever task is necessary

Ayanna Robinson

Runner/Production Assistant

Exhibition Support May – June 2025

Cannes Lions International Festival of Creativity

- A select group of processors were chosen to assist the judging operations team on site in Cannes, France
- Responsibilities included organising the physical exhibition space and helping to tag, catalogue and set up the Design and Industry Craft Exhibition for judging.
- We also set-up the displays for all short-listed campaigns to be viewed by the public

Award Entry Processor March – May 2025

Cannes Lions International Festival of Creativity

- Initial check that entries into the festival adhere to the rules and criteria
- Entry processing and dealing with customer queries when necessary
- Meticulous quality control of entries prior to on-site judging
- Providing direct support to the Award Coordinators at all times

Post-Production Runner July 2021 – to date (Temporary positions)

Soho Staff

- I have been a runner for events such as the National Television Awards and Jordan Peele's *Nope* Premiere.
- Companies such as Gravity Media, Premier PR, Hireworks and Wave Studios.
- I have worked on reception greeting visitors and ensuring that their first interaction is a positive one.
- Used office equipment such as franking machine
- I worked as a runner on a Netflix TV series. I worked with the Lead Editor and Director to ensure they had everything they needed. I also helped with publicity for a test screening for that show.
